

gpusat::Visualization
::writeJsonToStdout

```
graph LR; A[gpusat::Visualization::writeJsonToStdout] --> B[gpusat::Visualization::writeJsonToStdout]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'gpusat::Visualization' on the first line and '::writeJsonToStdout' on the second line. The right box is white with a black border and contains the same text. A dark blue arrow points from the right side of the gray box to the left side of the white box.
